

Dear Parents:

Welcome to the 2012 Girls Soccer Season!

The Fighting Saints have a tremendous tradition of soccer excellence, having won eight IHSA State Championships. Like all dynasties, East can attribute their success to excellent student athletes, great coaches, hard work, discipline, and teamwork.

This year's team will again be led by Coach Paul Jennison; and like every year, expectations are high!

The Girls Soccer Booster Club is in place to provide support to all the girls at every level of the program (Varsity, JV, and Freshman), as well as to Coach Jennison and his staff. Many dedicated parents work closely together to provide support, and help keep our program one of the strongest in the state. Much of what is needed to run a successful program is provided through the fundraising time and efforts of the booster club and its members. This past year alone, the boosters provided:

- \$1,000 college scholarships for two graduating seniors
- New uniforms for all JV and Freshman players
- New Backpacks for all JV and Freshman players
- Rental of indoor facility for tryouts
- Practice jerseys
- Warm-ups

We also help organize program events such as:

- Meet the Team Night
- Trivia Night – Our primary fundraiser for the year
- Senior Night
- Community Service Project
- Kids Soccer Clinic
- Soccer Banquet and Season DVD

Every player in the program, and her family, is a member of the Girls Soccer Boosters, and we encourage EVERYONE to be active in our organization. Volunteers are vital to the success of the programs and events that our girls take part in all year. If you would like to be involved in planning one of our events, please let us know!

We welcome and encourage everyone to join us at the Booster Club meetings, generally the second Monday of each month, starting at 6:30. This year, we will be hosting the meetings at our house, 1972 Shenandoah Lane in St. Charles. We will also post the meeting schedule on our website, www.stcegirlssoccer.com.

Welcome everyone to a new season, and GO SAINTS!!

Bob Pottle
Booster Club President
